

Call for application N° 00002 AAC/ ENSPY/EFO-CCAA of 07 SEPT 2023 relating to the selection of twenty (20) candidates for training in Aircraft Maintenance and Recycling. Jointly hosted by the National Advanced School of Engineering of the University of Yaoundé I and the Cameroon Civil Aviation Authority Training School.

In its mission of air transport development in Cameroon, the Cameroon Civil Aviation Authority (CCAA) Training School and the National Advanced School of Engineering (NASEY) of the University of Yaoundé 1 (UY1), are launching a professional training course leading to a certification in aircraft maintenance and recycling.

Graduates of this high-level and practical twelve (12) months course, will be qualified to apply for jobs in the following organisations:

- Approved Aircraft Maintenance Organisations, including those specialised in aircraft dismantling and recycling;
- Continuing Airworthiness Management Organisations in Airlines;
- Civil Aviation Administrations;
- etc.

This training will be conducted by aviation experts of the CCAA Training School and lecturers from the NASEY, UYI.

Theoretical courses will begin in **November 2023** at the Cameroon Civil Aviation Authority Training School (EFO-CCAA) located at Yaoundé-Nsimalen International Airport and on the premises of NASEY, UYI. This phase of the training runs for seven (07) months and will be completed by a three (03) months professional internship in an aeronautical organisation.

a) REQUIRED PROFILE

- Be a holder of an engineering degree or equivalent in the following fields: mechanical, electrical, electrotechnical, industrial, electromechanical or telecommunications.
- Have a good mastery of the official languages of Cameroon: English and French (spoken and written).

b) SELECTION PROCEDURE

First phase: Preselection of candidates based on a personal file review;

Second phase: Conduct of written tests;

Third phase: Orals (English for French speakers and French for English speakers);

Fourth phase: Publication of the final list of successful candidates.

c) APPLICATION FILE

Each application file should include:

- A handwritten stamped application addressed **to the Director of the Cameroon Civil Aviation Authority (CCAA) Training School;**
- A motivation letter ;
- A certified true copy of the birth certificate;
- A certified true copy of the national identity card passport for foreigners;
- A curriculum vitae ;
- A medical certificate (regulatory model);
- A certified true copy of the required degree;
- An attestation of presentation of the original of the required degree;
- A certificate of English language proficiency issued by the British Teaching Centre or a current TOEFL, IELTS or an equivalent proficiency certificate **level B1**. Candidates who obtained their secondary and/or university diplomas in the English-speaking educational system are exempted from it;
- A criminal record extract (Bulletin N°3) dated less than three (03) months ago;
- Two (02) 4x4 colour photographs;
- The original receipt of payment of the sum of **twenty thousand (20,000) FCFA** application fees (non-refundable) in the following bank account **N°10033 05218 18007000025 01** opened at the UNITED BANK OF AFRICA (UBA) by the **Cameroon Civil Aviation Authority (CCAA)**.
